

Attorney Docket No. 10559-197001  
Application No. 09/751,322  
Amendment dated March 22, 2004  
Reply to Office Action dated December 22, 2003

Amendment to the Claims:

This listing of claims replaces all prior versions, and listings, of claims in the application:

---

a) 1. (Original) A method comprising:  
receiving an electronic order from a first party;  
receiving information about the first party;  
transmitting the order to a second party;  
transmitting less information about the first party to the second party than was received; and  
transmitting a voucher to the second party.

2. (Original) The method of claim 1, further comprising transmitting no information about the first party to the second party.

3. (Original) The method of claim 1, further comprising transmitting selected information about the first party to the second party, wherein transmission of the selected information is authorized by the first party.

23. (Original) A method comprising:

placing an electronic order with a second party on behalf  
of a first party; and

providing information about the first party to the second  
party;

wherein the amount of information provided is a function of  
consideration from the second party.

a1 24. (Original) The method of claim 23 further comprising  
offering to provide identifying information in exchange for  
consideration from the second party.

25. (Original) The method of claim 23 further comprising:  
receiving an offer of consideration from the second party  
in exchange for providing information about the first party; and  
deciding whether the offer is acceptable based upon  
parameters specified by the first party prior to placing the  
order.

26. (Original) An article comprising a computer-readable  
medium which stores computer-executable instructions for  
receiving and transmitting information, the instructions causing  
a machine to:

place an electronic order with a second party on behalf of  
a first party; and

provide information about the first party to the second  
party;

wherein the amount of information provided is a function of  
consideration from the second party.

27. (Original) The article of claim 26, the instructions  
further causing the machine to offer to provide identifying  
information in exchange for consideration from the second party.

28. (Original) The article of claim 26, the instructions  
further causing the machine to:

receive an offer of consideration from the second party in  
exchange for providing information about the first party; and

decide whether the offer is acceptable based upon  
parameters specified by the first party prior to placing the  
order.
